OWNERSHIP/EXHIBITOR DEFINED- Animals must be bona fide property of the exhibitor and registered in the exhibitor's name. If a herd is registered in the name of different members of a family these persons may enter the show as individual exhibitors or they may combine their entries and be considered one exhibitor. Once the "Herd Unit" option is adopted all animals entered from the farm must be shown under the "Herd Unit." **Exception- Sheep;** all animals in group classes must be registered to the same exhibitor.

However each individual owner must submit a separate entry blank. A list of all individuals owning animals included in the "Herd Unit" and the name of the "Herd Unit" must be submitted with the application for entry and will be considered as one exhibitor throughout the Show. When the "Herd Unit" option is elected, all animals owned and exhibited by any member of the unit must be shown under the "Herd Unit" entry.

SPACE ALLOCATIONS- The York Fair reserves the right to limit the number of entries in the Dairy Show to accommodate the available space. All exhibitors will use the stalls assigned to them. In the case of animals entered but not exhibited, management will reassign excess stalls as deemed necessary.

Desire to stall with-						Major dairy herd unit exhibitor must list all members of his herd unit.
