IAFE (INTERNATIONAL ASSOCIATION OF FAIRS AND EXPOSITIONS) CODE OF SHOW RING ETHICS

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the “IAFE Code of Show Ring Ethics,” fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels. All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada. The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. Exhibitors must be members in good standing of the American Highland Cattle Association or Canadian Highland Cattle Society.
2. All animals must be owned by the exhibitor and breeding stock registered with the American Highland Cattle Association or Canadian Highland Cattle Society.
3. All shows will conform with IAFE Code of Show Ring Ethics and show rules (see www.highlandcattleusa.org).
4. Registration papers must be presented to show officials or AHCA representatives upon request.
5. Tattoos must be legible and correspond to registration papers.
6. Use of hormones or steroids in animals exhibited is prohibited.

DEPARTMENT 51

7. Purebred breeding cattle may not be dehorned.
8. A calf in the cow/calf class must be the cow's natural calf, still nursing and a maximum of 250 days old. Both the cow and calf must be registered purebred Highland cattle.
9. All bulls 13 months or older must be shown with a nose ring or nose lead. Note: We recommend that bulls be experienced with nose ring or nose lead prior to showing the animal.
10. All ROE shows attended will be counted in the cow/calf division. In the case of a tie for the cow/calf division, the cow/calf that has defeated the most animals will be the winner.
11. Registered and unregistered steers (both pure and crossbred) and registered Sovereign heifers, will be included for the number of animals in a point show.
13. Only registered pure and crossbred steers and registered Sovereign heifers will count toward the Premier Breeder and Exhibitor awards at all ROE shows.
14. Animals in group classes Get-of-Sire, Produce-of-Dam and Breeders Herd must be registered purebred Highland cattle.
15. Jackpot classes will be left to the discretion of each individual show to structure as they see fit (purebred/Sovereign/crossbred).

Standardized Rule Book is the governing document to be used when producing the International Championship Show, the International Youth Show and any regional shows where ITLA Qualifying Points are to be awarded. Deviations from the rules set forth in The Rule book may result in the show being classified as a Non-Qualifying Show (with no qualifying points or High Point Legacy points recorded) unless the show chairman receives specific permission from the ITLA Board Of Directors prior to the show.

Periodically, the rules and regulations contained in The Rule Book are reviewed and revised by the ITLA Show Rules Committee. Changes are presented to the ITLA Board of Directors for approval before inclusion. Every attempt will be made to inform members of any rule changes through updates in the ITLA Drover or posted on the official ITLA website.
